b Unless he has been granted a dispensation, a councillor or non-councillor with voting rights shall withdraw from a meeting when it is considering a matter in which he has a disclosable pecuniary interest. He may return to the meeting after it has considered the matter in which he had the interest.

c Unless he has been granted a dispensation, a councillor or non-councillor with voting rights shall withdraw from a meeting when it is considering a matter in which he has another interest if so required by the council's code of conduct. He may return to the meeting after it has considered the matter in which he had the interest.

d Dispensation requests shall be in writing and submitted to the Proper Officer (Clerk) as soon as possible before the meeting, or failing that, at the start of the meeting for which the dispensation is required.

f A dispensation request shall confirm:

Powers and duties

 A council **must** do what Parliament requires it to do, this is a legal requirement. (eg. hold three meetings a year in addition to the Annual Meeting of the Parish Council)

 A council **may** do only what Parliament says it may do, therefore there is a choice. (eg provide and maintain bus shelters)

 A council must not do anything unless it has a legal power to act, granted by Parliament.

In other words, a **duty** is something that the parish council **must** carry out, whereas a **power** is something that the parish council may choose to do, but it is not compulsory.

As well as holding four meetings a year, the parish council must-

 set the precept

 make any decisions to borrow

 consider auditors' reports

 review its financial management

 approve accounts and annual return

NALC – Financial Topic Note F03-15 14 April 2015
Local Audit and Accountability Act 2014
Commencement Orders

Introduction

The latest in a series of Commencement Orders (No 7) was promulgated last month. For all practices purposes, the provisions of the Act are now fully in force as affecting local town, parish and community councils.

Current Position

Under the Act, despite the abolition of the Audit Commission on 31 March 2015, all existing external audit arrangements and appointments continue until the end of the Financial Year 2016/17. Annual Returns will continue to be issued to Local Councils by their present external auditors and should be returned to them as previously.

FUTURE CHANGES

The majority of changes to external audit arrangements and appointments will change with effect from the Financial Year 2017/18 (commencing 1 April 2017), although the Act does provide for the existing external audit contracts in the event that the new arrangements are not implantable in

accordance with the timetable envisaged. This is unlikely to be necessary, but cannot be totally ruled out.

The new (post 1/4/18) appointments will be made, in accordance with the ACT, by a new Audit Appointments body (currently referred to as the Sector Led Body – SLB). This is currently being worked up by NALC and SLCC in association with the Association of Drainage Authorities and other (small authorities) representative bodies.
Briefly, all local authorities will be contacted by the SLB during 2016 to confirm (or otherwise) their wish to be part of the central appointment arrangements or (as allowed under the Act) whether they wish to opt out and make their own external audit appointments. These arrangements apply to all Local Councils with Income and Expenditure less than £6.5million pa.
Local Councils with Income or Expenditure (whichever is the higher) less than £25 pa will be exempt from external auditor (but will still have an external auditor appointed for the purpose of the exercise of electors' rights. All other councils will experience little or no change to their external audit arrangements, save only that their external auditor may change as a result of the new audit contracts under the SLB arrangements.

Smaller Authorities
Smaller authorities (those under £25KI) should note that their **entitlement to exemption from external audit does not commence until F Y 2017/18,** but in the meantime, they are (from 1 April 2015) subject to the mandatory publishing of the Transparency Code.

To ease the financial effects of this additional burden on smaller authorities, government have recently signed off on the establishment of a **Transparency Fund** (worth £4.7 million), to be administered by NALC through its County Associations. The precise mechanics as to the eligibility and disbursement of the fund will be wide publicised as soon as they have been finalised.

Appendix 4
NALC – Legal Briefing L02-15 30 March 2015
Introduction of the Smaller Authorities (Transparency Requirements) (England) Regulations 2015/494 – transparency obligations for parish councils with an annual turnover not exceeding £25,000 (England only)

The Smaller Authorities (Transparency Requirements) (England) Regulations 2015/494, which come into force on 1 April 2015, will make compliance with the Transparency Code for Smaller Authorities ("the Code") issued in December 2014 mandatory for parish councils and other smaller authorities with a turnover not exceeding £25,000.
